AUGUST'S FEATURED CORVETTE

Dee & Jane Clark's 1966 Red Roadster

Dee and Jane Clark are TGCC's featured corvette for this month. They have been loyal, long-standing members since 1992. For the last 17 years, we have enjoyed many events with them and as always, they have been willing to help where needed. Hopefully, we will have many more years of fun-filled times with them.

PRESIDENT'S COMMENTS

1

The meeting was called to order at 7:30 pm by Phil as all attending members were enjoying a bar-b-que dinner at the home of Gene & Jackie Schmidt. He thanked them for being gracious hosts for our August meeting. Phil welcomed TGCC's newest members, Bill & Rose Theiss. Their brand new 2009 Victory Red convertible was a birthday gift to Bill from his wife. Needless to say, many of the husbands began asking their wives for one for their birthdays. Phil also thanked Bob & Mary Jane for the framed photo of the winner of the girl's choice at our Hooter's cruise on July 25th.

VICE-PRESIDENT’S COMMENTS 2

Gary mentioned KCCA’s charity cruise at Brodies BBQ, Smithville on Sept. 5th and the Advance Auto, S. 291 Hwy, Liberty, MO., all cars event on Sept. 26th. He said the Hooter’s cruise had approximately 62 cars.

SECRETARY’S REPORT 3

Mary Jane requested a motion to approve last month’s minutes. The motion was approved and seconded. She also welcomed the new members and told them about the newsletter that will be emailed monthly to them. John & Ginny Minge asked that the newsletter be mailed to them instead of emailed since they have problems with opening the newsletter. Mary Jane will add them to the mailing list.

TREASURE’S REPORT 4

Phyllis gave the club’s financial report. She also gave an accounting of the Hooter’s cruise. The manager told her how happy he was with this years event because his sales receipts were ahead at 1:30 pm from last year with more cars. He offered a suggestion of another cruise, maybe an evening one. The club will further discuss that possibility.

MEMBERSHIP CHAIR’S REPORT 5

John re-introduced and welcomed our newest members, Bill & Rose Theiss. He will arrange to get them their TGCC name badges and membership cards.

EVENT COORDINATOR’S REPORT 6

Bob said that CCKC was planning a Fall Color Run on Sat. Oct.10th and TGCC was invited. He asked the members for their interest in his planning a run for us, one that may be down to the Louisburg Cider Mill area or a scenic drive to St. Joe. He said he would gather information and present to us at the Sept. meeting. He asked Gary & Reta to get information for Toys For Tots in Nov. with the group from Kearney, MO.

CAR SHOW COORDINATOR’S REPORT 7

Scott had nothing to add tonight.

OLD BUSINESS

8

Phil asked Phyllis about our annual banquet date. She said Fri., Nov. 6th was the date that was tentatively being held for us. He asked for a vote of the members for that date and time of 7 pm and it was unanimously passed. The food menu will be discussed at next month's meeting. We will also have a \$15 gift exchange that night.

NEW BUSINESS

9

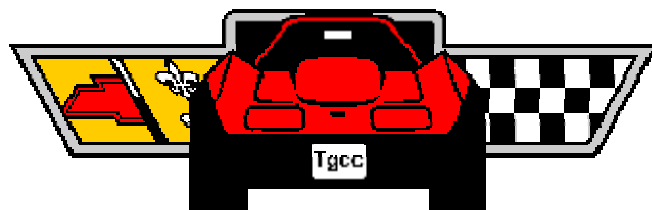

Phil had arranged for Sandy Burns to give a judging clinic at our meeting. In view of the fact that there are times when the judging of cars seems unfair, she was able to go over the fine points of objective judging. Phil advised that we will be going back to our dealership sponsor for the Sept. to May meetings. The meeting was adjourned at 8:30 pm. followed by dessert of cookies, brownies and ice cream. Again, we thank Gene and Jackie Schmidt for their hospitality and arranging a perfect weather evening.

P.S. – Bob took pictures of those attending this meeting with their cars so he can have John Breau, our webmaster, add them to the gallery on the TGCC website which is updated the first Saturday of the month. Be sure to check the website at:
